### Vi-Pro® WIPES

**Product description:**

Removes partially cured and uncured sealants including, silicone, polyurethane, and polysulphide from tools and surfaces. They will also remove wet paint, putty, glue, mastic and resins. Vi-Pro® WIPES are a non-woven fabric impregnated with a mild water-based cleaning solution. The soft absorbent surface lifts and removes "sticky stuff" leaving the surface clean.

**Why use Vi-Pro® WIPES:**

- Highly effective - lifts wet sealant, paint, glue and resin from surfaces
- Cut down on post installation clean up time
- Safe on plastic, powder coated, painted surfaces as well as metal and glass
- Pleasant to use - clean fresh lemon smell
- Conveniently packed in handy tubs – easy-to-use
- Economical
- Long shelf life - tub has re-sealable closure
- Reduces post installation cleaning
- Does not dissolve so residue is not spread across the surface

**Specification Appearance:**

Appearance: Wipe  
Dimension: 280 x 250 mm ± 5%  
Colour: White  
Odour: Lemon Surfactant  
Type: Amphoteric/ Non-Ionic  
Pack size  
150 wipes per tub four tubs per case; single packed foil sachets

**Surface Cleaning, tools and equipment.**

Open the dispenser and draw out a wipe. Use to wipe surface thoroughly to remove all traces of "Sticky stuff" If necessary use a second wipe. Cleans plastic, metal and gloss painted surfaces without causing damage.

NB: Keep closure shut to avoid premature drying out of the remaining wipes.

**Safety precautions:**

Material Safety Data Sheets are available on demand. MSDS are provided to help customers satisfy their own handling, safety and disposal needs and those that may be required by locally applicable health and safety regulations. MSDS are updated regularly, therefore, please request and review the most current MSDS before handling or using any product. Never burn away.
