

Technical Data Sheet

Vi-Pro® PNEUMATIC GUN 675 ML

Wersja: 1-EN

Date: 17.10.2024

Vi-Pro® PNEUMATIC GUN 310-600 ML

Adhesives, silicones and sealants can be quickly and accurately applied using a professional pneumatic squeezer with pressure regulation Vi-Pro® Pneumatic Gun 310-600 ml. Thanks to an additional element, the universal squeezer allows the application of masses packed in a so-called sausage with a volume of 600 ml (e.g. Vi-Pro® EPDM Paste Adhesive 903), as well as in cartridges with a capacity of 310 ml.

ADVANTAGES:

- for sausages with a volume of 600 ml and cartridges with a capacity of 310 ml
- precise application and high sensitivity
- ergonomic handle, comfortable grip

Characteristics:

WAY OF EXTRUSION	MECHANICAL (rod driven piston)
Art. Code	VIPRO-G613
Net weight	1.252 g
Work pressure	1-10 bar
Tube length	400 mm
Max force	200 Kgf (10 bar -145 PSI)-1,961 kN
Connection	¼ male gas
Noise level	<80 dBA
Features	Pressure reducer integrated

Packaging

Single packing.

Note to customer:

The information provided is true to the best of our knowledge and is based on reliable tests and practical experience. The specified properties are indicative and therefore do not constitute specifications. The customer/user should thoroughly test each application to ensure that the product meets the required parameters. The only warranty is that the product conforms to the sales specifications in effect at the time of shipment. Your exclusive remedy for breach of such warranty is limited to a refund of the purchase price or replacement of any product found to be other than the warranted product. Seller is not liable for incidental or consequential damages.
