Vi-Pro® PNEUMATIC GUN 600 ML

Wersja: 1-EN

Date: 17.10.2024

Vi-Pro® PNEUMATIC GUN 600 ML

Time and precision count during renovation and on the construction site. The precise application of various types of adhesives, silicones and sealants is ensured by the professional PNEUMATIC EXTRUDER with pressure regulation Vi-Pro® Pneumatic Gun 600 ML.

Using the extruder, we can apply Vi-Pro® EPDM Paste Adhesive 903 glue, as well as other masses packed in a so-called 600 ml sausage. We can adjust the light and handy equipment to our own preferences thanks to the possibility of adjustment and setting the appropriate balance.

ADVANTAGES:

- for 600 ml sausages
- precise application and high sensitivity
- ergonomic handle, comfortable grip.

Characteristics:

WAY OF EXTRUSION	MECHANICAL (rod driven piston)
Art. Code	VIPRO-G611
Net weight	1.119 g
Work pressure	1-10 bar
Tube lenght	400 mm
Max force	200 Kgf (10 bar -145 PSI)-1,961 kN

Technical Data Sheet

Vi-Pro® PNEUMATIC GUN 600 ML

Wersja: 1-EN**Date: 17.10.2024**

Connection	¼ male gas
Noise level	<80 dBA
Features	Pressure reducer integrated Dump valve integrated (dripless)

Packaging

Single packing.

Note to customer:

The information provided is true to the best of our knowledge and is based on reliable tests and practical experience. The specified properties are indicative and therefore do not constitute specifications. The customer/user should thoroughly test each application to ensure that the product meets the required parameters. The only warranty is that the product conforms to the sales specifications in effect at the time of shipment. Your exclusive remedy for breach of such warranty is limited to a refund of the purchase price or replacement of any product found to be other than the warranted product. Seller is not liable for incidental or consequential damages.
